*"Success is peace of mind which is a  
direct result of self-satisfaction in  
knowing you did your best to become  
the best you are capable of becoming."  
-John Wooden*

The 2017 season will mark Chelsie Speer's 4th year as the Head Volleyball coach at Walla Walla Community College and her 9th year overall in the NWAC as a head coach. In Coach Speer's 3rd season as the Warriors head coach, she led the team to a 29-10 record, an East Region Co-Championship with a record of 14-2, and a 4th place finish at the NWAC tournament. Speer was named East Region Coach of the Year for the 2nd year in a row. Prior to taking the reins of the Warriors, Coach Speer spent five seasons as the head coach at Mt. Hood Community College where she led the Saints to five Southern Region titles, one NWAACC Championship, two NWAACC 2nd place finishes, one 3rd place finish and one 4th place finish. Speer also received Southern Region Coach of the Year in 2009, 2010, 2012 and 2013. Her overall record in 5 seasons at Hood was 175-43. Coach Speer is excited about where the Warrior program is going and she believes the culture of the program is exactly where it needs to be to continue to have success.

**Coach Speer's Coaching Philosophy:** "Always give 100% positive attitude and effort because it's the two things in life that we have complete control of at all times."
